**Knowledge for a
Clean Energy Future**
Newsletter n° 9, April 2020

Enel Foundation is a non-profit organization, recognized as the World's Best Organization Brand in the energy space at the Charge Awards 2019.

Enel Foundation focuses on clean energy's crucial role in ensuring a sustainable future for all. We conduct research and education exploring the implications of global challenges in the energy domain. We operate in partnership, at the intersection of business and society leaving no one behind in the energy transition.

TOP STORY

**MANAGING UTILITY OPERATIONS IN THE
CONTEXT OF COVID-19: THE ENEL EXPERIENCE**

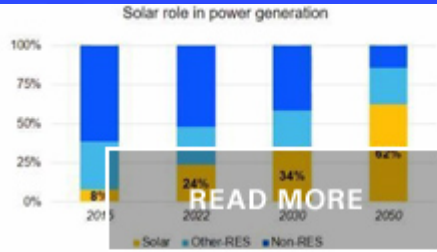

The webinar will start shortly

**Sharing Knowledge on Managing Utilities during
COVID-19**

The Rockefeller Foundation and Enel Foundation designed and organized a technical webinar in partnership with Sustainable Energy for All to cover operational best practices during the COVID-19 emergency, considering safe workforce management, electricity distribution infrastructure resilience and local community protection. To view the on-demand streaming click above or read the news on our website.
