

Knowledge for a Clean Energy Future

Newsletter n° 13, April 2021

Enel Foundation is a non-profit organization.

Enel Foundation focuses on clean energy's crucial role in ensuring a sustainable future for all. We conduct research and education exploring the implications of global challenges in the energy domain. We operate in partnership, at the intersection of business and society leaving no one behind in the energy transition.

TOP STORY

Enel Foundation and IRENA join forces for the advancement of the Energy Transition.

Enel Foundation announced a strategic scientific partnership with IRENA for the advancement of the global energy transition. The agreement will see the parties cooperate in areas of mutual interest with focus on research and education.
