

Knowledge for a Clean Energy Future

Enel Foundation is a non-profit organization.

Enel Foundation focuses on clean energy's crucial role in ensuring a sustainable future for all. We conduct research and education exploring the implications of global challenges in the energy domain. We operate in partnership, at the intersection of business and society leaving no one behind in the energy transition.

FLASH NEWS

ENEL FOUNDATION LAUNCHES SENIOR FELLOWSHIP PROGRAMME

Enel Foundation welcomes its inaugural cohort of Senior Fellows this spring.

The collective expertise of our newest Senior Fellows covers a remarkably wide range of topics integral to the sustainable future we envision powered by affordable, reliable, sustainable and modern electricity smartly distributed to all.

We are proud to welcome **Mike Howard** – EPRI CEO Emeritus, **Stefano Manservigi** – Special Advisor to EU Economy, and **Marco Baroni** –Energy Modelling expert at the Institut d'études politiques de Paris (Sciences Po).

We are grateful to these individuals and hope their work continues to help pave the way towards a prosperous future for the people and the planet.
