

Knowledge for a Clean Energy Future

Enel Foundation is a non-profit organization.

Enel Foundation focuses on clean energy's crucial role in ensuring a sustainable future for all. We conduct research and education exploring the implications of global challenges in the energy domain. We operate in partnership, at the intersection of business and society leaving no one behind in the energy transition.

**Energy Transition to Boost the
Fight Against Climate Change:
Setting the Future Agenda**

 **TUESDAY, 7 DECEMBER 2021**

 **7:00 PM GST**

Engaging youth to set the future energy transition agenda

IRENA and Enel Foundation are glad to invite all youth to attend the final event of the “Energy Transition Heroes” 2021 series, lunched at the beginning of the year.

The “Energy Transition to Boost the Fight Against Climate Change: Setting the Future Agenda” webinar, held on December 7, 4pm-5:30 CET (7pm GST), will discuss the next steps for youth leaders to implement the outcome of COP26 and to actively engage in the energy transition for a sustainable future.
